Sample Feedback from students

	Workshop:"Server Side Scripting Language: Node JS		
Name	**3. Quality of Content delivered by the Speaker**	**4. Major takeaways for you from the program**	**7. Comments/Suggestions/ Remarks**
Akshaya Nadathur	Excellent	It was a very well organised, smoothly conducted workshop and I really appreciate that DSU takes such efforts for helping students learn more things and build their futures. We learnt a lot as engineering students from this workshop and are looking forward to seeing more such events conducted.	
AMISHA ASRANI	Very Good	1.What is node js 2.about mongodb 3.packages of node 4. Express	
ARNAV GUPTA	Very Good	.	I learnt pretty much from this knowlegeable session of Nodejs. It was really very helpful.
Akash Bagchi	Excellent	Usage, applications and importance of NodeJs, MongoDB etc. which will greatly enhance our aptitude in web technologies and aid us in our project work.	
Adarsha subrahmanya K K	Excellent	Knowledge about javascript using node.js and all	Very good session , Nagaraj sir share his knowledge very nicely
Gopal reddy K A	Very Good	Yes	Conduct more workshops like this
Basavachetan	Excellent		
Belsare Yash Rahul	Very Good	Fundamentals of node js were taught properly	
HAMSA M.N	Very Good	Installation and node js.when to use and when not to use node js.	No remarks.
Bhavana AP	Excellent	It helped me and it was very useful	It was helpful for me and I'm looking forward for much more workshops
